Experience the phenomenon. Visually stunning, technically astounding and with a musical score like none other you've ever heard. Giraffes strut, birds swoop, gazelles leap. The entire savannah comes to life and as the music soars, Pride Rock slowly emerges from the mist.

See the Tony® Award-winning Broadway sensation that Newsweek calls "a landmark event in entertainment." The New York Times says, "There is simply nothing else like it."

Marvel at the breathtaking spectacle of animals brought to life by a cast of more than 40 actors. Wonder at the inspiration of award-winning director Julie Taymor, who created visual images for this show that you'll remember forever.

Thrill to the pulsating rhythms of the African Pridelands and an unforgettable score including Elton John and Tim Rice's Oscar-winning song "Can You Feel The Love Tonight" and "Circle of Life."
