## The Program

There will be a 1 to 2 minute break between each of the nine entries for the judges and the audience to tally up their votes. The judges' votes will decide who gets First Place, Second Place, and Third Place. After the screening of all the videos, the audience will be casting their votes for the **Best of Show**. After the voting, there will be a party and a presentation of the winners for First Place, Second Place, Third Place, and Best of Show.
